Job Description			
<p>Position Summary:</p> <p>Provides professional social work services to children, adolescents, and adults aimed at maintaining or restoring their highest level of functioning. Delivers general and specialized social work interventions, encompassing substance abuse, counseling for victims of sexual abuse, and support for traumatized children. Conducts comprehensive initial assessments for all new patients, conducts interviews and evaluations of patients and their families, and subsequently diagnoses for treatment. Identifies factors that may impede optimal treatment outcomes and devises patient treatment plans. Implements and monitors treatment plans, documenting progress through weekly progress notes to ensure continuity of care. Offers therapeutic services to aid patients and families in addressing presenting symptoms and challenges. Collaborates within interdisciplinary treatment teams to optimize patient care. Prepares reports and other pertinent documents related to patient care. Adheres to company and departmental policies and procedures, including quality assurance, safety protocols, environmental regulations, and infection control measures, and complies with accreditation and regulatory agency requirements. Facilitates specialized in-service training sessions on relevant topics for various audiences. Actively participates in staff development programs, departmental conferences, and administrative meetings. Provides individual and group counseling sessions for clients as needed.</p> <p>Position Details:</p> <ul style="list-style-type: none"> · 1099 Independent Contractor, No Benefits included · Morning Shift, Day Shift, Evening Shift, Weekends as needed · Position type: Remote (travel required as needed by agency) · Remote meetings and trainings · Virtual Interview Process <p>Required Skills:</p> <ul style="list-style-type: none"> · Problem Solving - Identifies and resolves problems time efficiently; Gathers and analyzes information; Develops solutions; Works well in group problem-solving situations; Uses logic and reasoning. · Oral Communication - Speaks clearly and persuasively; Listens and gains clarification when necessary; Accurately responds to client questions and concerns as needed; Demonstrates presentation skills; Participates in meetings. · Written Communication - Writes clearly and concisely; Tailor's writing style to meet specific needs; Able to read and interpret written information. · Quality - Demonstrates accuracy and thoroughness; Looks for ways to improve and promote quality; Applies feedback to improve performance.
